SIMATS ENGINEERING

Dear parents,

Dear Valued Parents, Warm greetings from Saveetha School of Engineering! We are pleased to share exciting updates on Agathiyan's academic journey, particularly his dedication to the "Financial Accounting Data" project. As we progress through the academic year, Agathiyan's commitment to this project, along with his diligent research and writing, is highly commendable. In addition to his academic work, Agathiyan has made significant strides in his career development. Currently ranked 437,553 on LeetCode, he is focused on improving his rank to below 100,000. Engaging in practical capstone projects will also be beneficial in helping him gain hands-on experience and refine his expertise. GURUPADIGAM Thank you for helping Agathiyan on his path to academic excellence and professional success.
